Wolfchase Farms Pumpkin Contest Winners 2011

There were thirteen beautifully carved and painted pumpkins entered in the Wolfchase Farms Fall Festival Pumpkin Contest. After careful deliberation the following were declared winners and awarded twenty five dollar gift certificates to McDonalds.

Amanda Walker was awarded first place in the Best Carved Category. Amanda carved a howling wolf with Wolfchase Farms carved at the top of the pumpkin.

The Best Painted Pumpkin was painted by Leslie Manning. The pumpkin was painted purple and featured a city landscape with a witch flying high above the buildings.

In the Best Miniature Group, Addi Ramirez 's Princess was selected. The Pumpkin was pink and wore a rhinestone tiara and earrings.

Thank you to all of you who entered in the fun of pumpkin carving and painting. All contestants received a free McDonalds hamburger coupon and the judges gave candy to each participant.

Pictures of the Pumpkin Booth are posted on the website, www.wolfchasefarmshoa.com and on the Wolfchase Farms Facebook Page.
